

Introduction:

ATMA-Kohima as an autonomous body registered under the Society Act 1860 as amended vide Registration of Societies (Nagaland first amendment) Act 1969, is functioning well since 2005-06. The guiding principle on which ATMA Kohima works is under the Agricultural Extension Reforms Policy of Government of India.

The SREP and Annual Block Action Plan emulating District Action Plan (DAP) that guides District and Block level activities. The Cafeteria of Activities of ATMA-Kohima has been carried out as per Central Ministry guidelines.

This small booklet recorded activities so far carried out by ATMA-Kohima during 2006-07, 2007-08, and 2008-09 for recollection and references.

I wish that the functionaries involved in extension services of the people will get benefit in recapitulating the activities for further improvement.

(G. IKUTO ZHIMOMI)
District Agriculture Officer &
Project Director, ATMA-Kohima
Nagaland.

ATMA- Management Committee (AMC) members
